Re: Site Visit Arrangements

Dear Mary:

The purpose of this letter is to confirm the site visit that we have scheduled for **December 28, 1989 at 10:00 a.m.** at the CDF site in New Bedford. There will probably be two representatives of our firm at the meeting and the purpose is to allow us to walk the CDF perimeter and other areas within the fence to view the current conditions. I assume that our people will meet you at the gate. If you have any questions or need to make alternative arrangements, please give me a call.

Very truly yours,

Richard J. Hughto, Ph.D., P.E.
Vice President
